

## DIVISIONS BY CLASS

CLASS I: Less than 2000 members    Class II: 2000-3499 members    Class III: 3500 members and larger

CLASS	DIVISION NAME	ACRONYM
I	Division of Agrochemicals	AGRO
I	Division of Business Development & Management	BMGT
I	Division of Carbohydrate Chemistry	CARB
I	Division of Catalysis Science and Technology	CATL
I	Division of Cellulose & Renewable Materials	CELL
I	Division of Chemistry & the Law	CHAL
I	Division of Chemical Health & Safety	CHAS
I	Division of Chemical Information	CINF
I	Division of Fluorine Chemistry	FLUO
I	Division of Fuel Chemistry	FUEL
I	Division of Geochemistry	GEOC
I	Division of the History of Chemistry	HIST
I	Division of Nuclear Chemistry & Technology	NUCL
I	Division of Petroleum Chemistry	PETR
I	Division of Professional Relations	PROF
I	Rubber Division	RUBB
I	Division of Small Chemical Businesses	SCHB
I	Division of Chemical Toxicology	TOXI
II	Division of Agricultural & Food Chemistry	AGFD
II	Division of Biochemical Technology	BIOT
II	Division of Colloid & Surface Chemistry	COLL
II	Division of Computers in Chemistry	COMP
II	Division of Industrial & Engineering Chemistry	I&EC
III	Division of Analytical Chemistry	ANYL
III	Division of Biological Chemistry	BIOL
III	Division of Chemical Education	CHED
III	Division of Environmental Chemistry	ENVR
III	Division of Inorganic Chemistry	INOR
III	Division of Medicinal Chemistry	MEDI
III	Division of Organic Chemistry	ORGN
III	Division of Physical Chemistry	PHYS
III	Division of Polymeric Materials: Science & Engineering	PMSE
III	Division of Polymer Chemistry	POLY
