

# Local Section Activities 2006

## A Statistical Review

AMERICAN CHEMICAL SOCIETY

The American Chemical Society  
Department of Local Section and Community Activities  
November, 2007

The Department of Local Section and Community Activities has compiled the *Local Section Activities: A Statistical Review - 2006* to offer local sections a closer look at not only what their section has done for the year, but what other local sections in their section size category have accomplished. There are several types of data offered at a glance in this year's report which was compiled from responses to the 2006 local section annual reports.

We encourage you to call, e-mail or write to us for additional information on any of the items listed in this book or with your suggestions and ideas.

Figure 3: How Councilors Report Back to Local Section on National ACS Matters	48

## Local Section Statistics Coding Guide

Data are provided for each local section according to section size. To determine a section's size category, refer to the table below.

### **Section Size Category**

Small	Fewer than 200 members
Medium Small	200-399 members
Medium	400-799 members
Medium Large	800-1,599 members
Large	1,600-3,199
Very Large	3,200 members and more

### **A. Administration**

This category indicates the number of committees, subsections, and topical groups in the section. This category also lists the number of section affiliates and the month the local section changes officers, as well as the amount of voluntary local section dues and the percentage of members who have paid dues.

### **B. Meetings**

This category indicates the number of executive committee and section meetings. The percentage of members who attended section meetings is also listed.

### **C. Programs and Activities**

This category indicates (Y for "Yes" and N for "No") the programs and activities that the local section held during the year.

### **D. Internal Communications**

This category refers to the number of newsletters published and indicates whether or not the section conducted a membership survey.

### **E. Finances**

This category indicates whether or not the section prepared a budget and gives information on section revenues, expenses, and net assets. The amount of the local section allotment is also shown.

### **ACS Council Committee on Local Section Activities Mission Statement**

The Council Committee on Local Section Activities (LSAC) will work with local sections to enhance their success, to promote the well-being of their members, to foster the spirit of volunteerism, and to carry out the mission of the American Chemical Society at the professional and community level.

### **ACS Department of Local Section and Community Activities Mission Statement**

The Department of Local Sections and Community Activities provides programs, products and services to support and enhance activities at the local level in order to foster volunteerism by encouraging participation and leadership in all aspects of the Society.

### **ACS Award for Outstanding Performance**

Each year, the ACS Council Committee on Local Section Activities recognizes local sections of the American Chemical Society that have made significant contributions to the welfare of their members and have obtained the public's awareness of the importance of the chemical profession.

By way of a detailed review process, LSAC assesses each section's activities, based on the section's annual report, and determines those sections that have exhibited exemplary performance. The committee then selects a winning section in each size category as well as several other sections within the same size category that have had a commendable year. The winning sections -- those sections that have demonstrated meritorious contribution to their members and to the chemical profession -- receive the "Outstanding Performance Award." The other selected finalists receive Certificates of Excellence. These awards and certificates are presented at the ACS fall national meeting each year.

The Council Committee on Local Section Activities and the Department of Local Section and Community Activities congratulates all winners and finalists of the "Outstanding Performance Awards."

Recipients of the Outstanding Performance Award by Local Sections
