

## CHEM.MATTERS.LINKS

### 25 years of ChemMatters on a CD

The new 25-year *ChemMatters* CD contains every issue from February 1983 through April 2008 along with every *ChemMatters* Teacher's Guide ever published (since February 1990). There is also a search engine that helps you look for articles by keyword and an Index that sorts the articles by title, author, and keyword. The price is only \$30! Site licenses are available for whole-school use for \$105. Call 1-800-227-5558 or order online at <http://www.acs.org/chemmatters>.

### Correction:

An error occurred in Figure 4, p.16 of the October 2008 issue of *ChemMatters*. The correct figure is on the right.

### Statement of Ownership, Management, and Circulation for ChemMatters Magazine

*ChemMatters* is published quarterly by the American Chemical Society, 1155 16th St., NW, Washington, DC 20036. Both the office of publication and the general business office are at the American Chemical Society, 1155 16th St., NW, Washington, DC 20036. Administrative Editor: Marta Gmurczyk. Owner: American Chemical Society. There are no other known bondholders, mortgages, or other security holders. The purpose, function, and nonprofit status of this organization and its exempt status for federal income tax purposes have not changed in the past 12 months. 33,000 copies of each magazine issue are printed. Average circulation during the past 12 months was 16,533. Circulation closest to the filing date was 12,068. There are no paid in-county subscriptions, no sales through dealers or vendors, and no other USPS mailings at other classes. There is no free distribution of *ChemMatters*. During the past 12 months, an average of 15,806 magazines per issue was not distributed. For the most recent issue (October 2008), 17,932 magazines were not distributed. This statement was filed according to Section E216.3.0 of the USPS Domestic Mail Manual on October 1, 2008, by Marta Gmurczyk, Administrative Editor.
