

www.acs.org /ACS Network

**Enroll in the ACS Network and become a
Global Partner in the American Chemical Society:**

www.acs.org/ACSNetwork

This is a special invitation for ACS Journal readers to become part of an online network of chemists and other scientists working in the global chemical enterprise.

Conduct an electronic search for other scientists by:

Name • Expertise • Key words

Or Create a personal profile of your:

Scholarly citations • Published papers • Education • Expertise • Key words

Enroll in the ACS Network as Global Partner.

It's free, it's easy:

To become a Global Partner and enroll in the ACS Network, go to www.acs.org/ACSNetwork from a computer you use to access ACS journals.

- Create an ACS ID, if you don't already have one.
- Continue to the ACS Network and create your profile.
- After you have an ACS ID and are enrolled as a Global Partner, you may access the ACS Network from anywhere—home, or work.

Become a Global Partner Today!

If you are a member of the American Chemical Society you may opt in to the ACS Network from any computer; you are not required to gain access via an ACS journals account.
